**Certified that:**

1. The percentage of handicap is not less than 40%
2. The disability is permanent in nature.

Learning Disability is a permanent developmental disorder. Currently there are no standard approved methods to quantify the disorder. However the method of diagnosis is based on significant impairment in academic achievement. Thus a disorder that is diagnosed implies a disability amounting to not less than 40%

**Recommendations:**

{Name, Signature and Registration number of Clinical Psychologist qualified to issue this certificate and recognized by the Central or a State {including Union Territories} Government}
